

Contract

for the disclosure of data for research from SOReg-N

This contract applies to all research where data from SOReg-N is used as a basis for publication in a scientific journal.

Note that:

- Disclosed data shall not be redistributed in any form to a third party or be used in other projects other than those for which they are approved.
- Disclosed data must be stored and handled according to guidelines for storage and use of health information.
- Disclosed data must be deleted after the end of the project, unless the Ethical Committee or the National Archives Act says otherwise.
- A final report must be sent to SOReg-N.
- Any new research questions on disclosed data, require a new application to SOReg-N and a new approval from the Regional Ethics Committee (REK).
- If the project takes longer than estimated, a new agreement with SOReg-N must be signed. This may give other research groups the opportunity to study the same problem.
- Guidelines for the disclosure and use of data from SOReg-N shall be followed.
