

Implement it!

Investigating implementation of patient safety interventions in primary and specialised health care: A multimethod study.

UNIVERSITY OF BERGEN

HELSE FONNA

HELSE BERGEN
Haukeland University Hospital

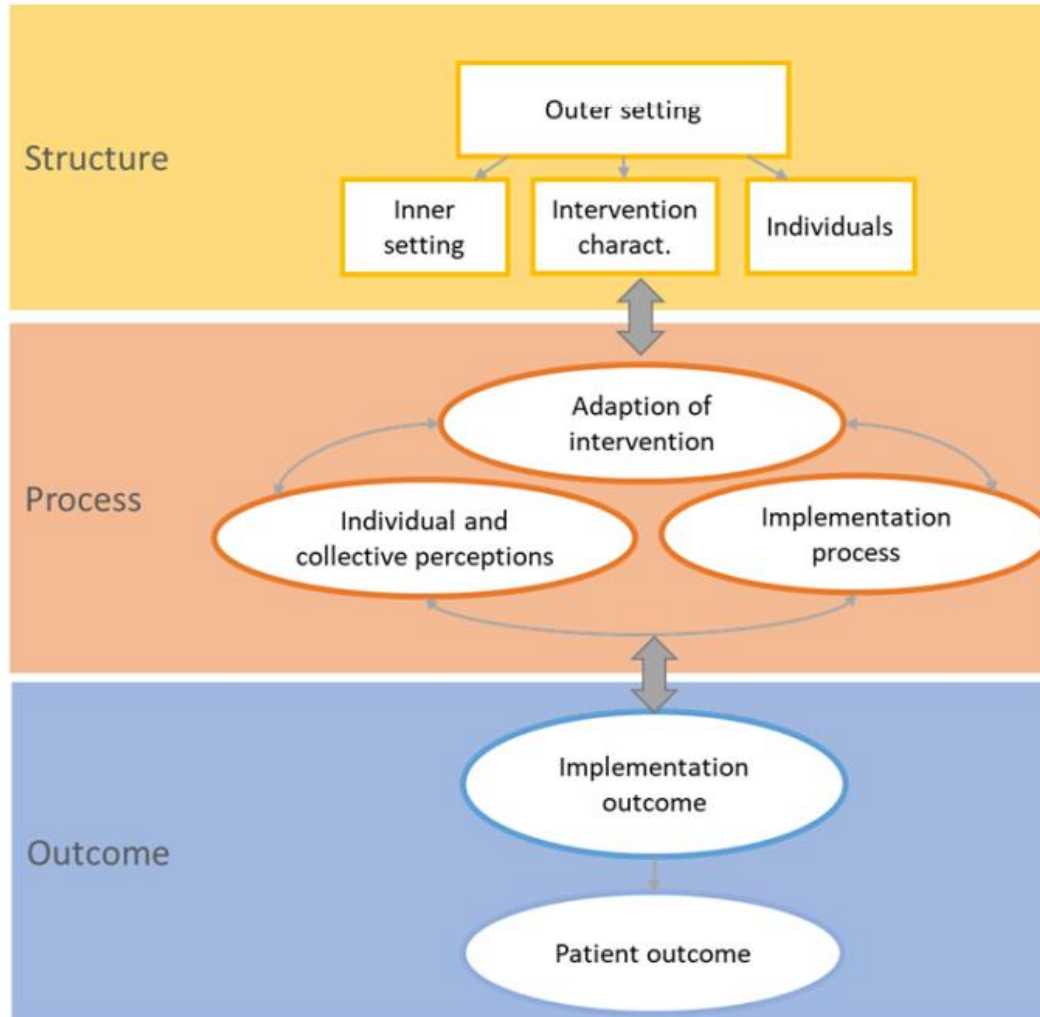

"What was initially thought to be a simple process is in fact an incredibly complicated, intricate, and complex system that I've codified and organized into a few easy-to-follow rules that are more difficult to implement than you'd think."

BEDRE OG RASKERE IMPLEMENTERING

- God kunnskap om implementering
- Bruke Implementation Science aktivt
- Kunnskapshull: Adaptiv implementering
- Dele kunnskap på tvers: Nivå og fagområder

TEORI - RAMMEVERK

Utviklet fra

- Structure, Process, Outcome model^[1]
- CFIR - Consolidated Framework for Implementation Research^[2]
- Proctor – implementation outcomes^[3]

1. Donabedian, A., *Jama*, 1988. **260**(12): p. 1743-8.
2. Damschroder, L.J., et al., *Implement Sci*, 2009. **4**: p. 50.
3. Proctor, E., et al., *Administration and policy in mental health*, 2011. **38**(2): p. 65-76.

HOVEDMÅL

Program for implementeringsstøtte:

- På tvers av helsetjenester og fag
- Basert på
 - Kunnskap om/erfaringer fra innførte tiltak
 - Teori/rammeverk m/videreutvikling
 - Utprøving i nye tiltak

UTGANGSPUNKT

1. Antibiotika styringsprogram
Antibiotic Stewardship Program - **ASP**
 - **DOKUMENTERTE**
2. Forverring av pasient
Rapid Response System - **RRS**
 - **VEDTATT NASJONALE**
 - **FLERE TJENESTENIVÅ**
3. Medikament-samstemming
Medication Reconciliation - **MR**

KUNNSKAP OM IMPLEMENTERING

-Litteratur og Erfaringer

-Generisk på tvers

PROSJEKTGRUPPE - FINANSIERING

Eirik Søfteland – project leader

Professor, University of Bergen. Senior Consultant, Dept. of Anaesthesia and Intensive Care, Haukeland University Hospital

Miriam Hartveit

Ass. Professor, University of bergen. Researcher, Helse Fonna

Stig Harthug

Professor, University of Bergen. Special advisor, Haukeland University Hospital

Hilde Valen Wæhle

PhD. Researcher/quality advisor, University of Stavanger and Haukeland University Hospital

Per Espen Akselsen

Researcher & Senior Consultant, Haukeland University Hospital

Sigurd Høye

Ass. Professor, University of Oslo, Antibiotic Centre for Primary Care

Jonas Torp Ohlsen

PhD candidate, University of Bergen. Senior Consultant, Haukeland University Hospital

Sara Sofia Lithén

Advisor, University of Oslo, Antibiotic Centre for Primary Care

Regina Küfner Lein

Academic Librarian, University of Bergen

John Øvretveit

Professor, Karolinska Institutet, Stockholm

Nick Sevdalis

Professor, Kings College, London

User representation

Helse Fonna User panel

Funding

Norwegian Research Council (12 M NOK for four years)

Helse Vest, Helse Bergen and Helse Fonna (Approx. 5 M NOK)
