

Dear colleague,

the next Bergen biostatistical seminar will be given by:

Mathieu Roelants, Environment and Health / Youth Health Care (Jeugdgezondheidszorg),
Department of Public Health and Primary Care, KU Leuven - University of Leuven

Tuesday 17 Apr 2018, 11.00-12.00

Title: Methods in growth research

Abstract: TBA

Place: Centre for Clinical Research, Armauer Hansen's House, Haukeland University
Hospital, Bergen (room 337 "Bjørgvin")
The seminar is open for everyone interested.

A free lunch will be served after the seminar. Please notify kkf@helse-vest.no within
Thursday 12 Apr if you will join the lunch.

Welcome!

Geir Egil Eide
Centre for Clinical Research
Haukeland University Hospital
Bergen
